

**REMARKS**

In an Official Action dated October 20, 2005, the Examiner imposed a restriction requirement between claims 1-14 and 21 and claims 15-20. During an interview with the Examiner on Oct. 28, 2005, the Examiner indicated that he would re-address the restriction after claim amendments were submitted. Accordingly, Applicant's undersigned attorney requests that the Examiner reconsider the rejection in light of the discussion and in light of the claim amendments.

Although Applicant believes that restriction is not proper, in order to make this response complete, Applicant elects invention I, which includes claims 1-14 and 21.

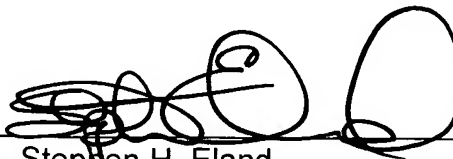

In addition, in light of the discussion in the Response filed July 25, 2005, Applicant requests that the Examiner reconsider the rejection of the claims. The Examiner is encouraged to contact Applicant's undersigned attorney if the Examiner believes that issues remain regarding the allowability of this application.

Applicant believes that no fee is necessary for this application. However, in the event a fee is required, the Commissioner is authorized to charge the fee to deposit account No. 04-1406
